

Product Name :
Section Model Two Stroke and Four Stroke Petrol Engine

Product Code :
CHINAELABC2640024

Description :

Section Model Two Stroke and Four Stroke Petrol Engine

Technical Specification :

FEATURES:

Operated: Manually (Through a Crank Handle)
Equipment Layout: On Base
Fine finish
Simple operations
Functional accuracy

SPECIFICATIONS:

TWO STROKE CUT-SECTION ENGINE:

Air cooling
Piston displacement 48 cc
Plug point and magnet flywheel ignition
Box carburetor

FOUR STROKE CUT-SECTION ENGINE:

Air filter
Displacement: 160cc
Camshaft in the crank case
Overhead valves
Rpm regulator
Oil pump

Carburetor
Silencer
Tank
