

Product Name :
Unconfined Compression Apparatus

Product Code :
CHINAELABC2690080

Description :

Strength Measurement - Unconfined Compression Apparatus (Hand Operated, Proving Ring Type)

Technical Specification :

Screw jack with frame and dial gauge holder
Set of upper and lower platens, 150 mm dia.
Cone Seating – 2 Nos.
Proving Ring Adapter.
Proving ring fitted with dial gauge, 5 kN capacity.
Dial gauge 0.01 x 25 mm.
