Product Name:

Unconfined Compression Apparatus

Product Code: CHINAELABC2690080

Description:

Strength Measurement - Unconfined Compression Apparatus (Hand Operated, Proving Ring Type)

Technical Specification:

Screw jack with frame and dial gauge holder

Set of upper and lower platens, 150 mm dia.

Cone Seating – 2 Nos.

Proving Ring Adapter.

Proving ring fitted with dial gauge, 5 kN capacity.

Dial gauge 0.01 x 25 mm.
