Product Name:

Electronic Bench Type Consolidometer (Front Loading)

Product Code: CHINAELABC2690120

Description:

Consolidation - Electronic Bench Type Consolidometer Front Loading

Technical Specification:

Same except that the data is displayed and acquired on electronic unit. Test is performed as per IS:2720 (Part-XV). The unit comprises:

Loading Unit capacity 20kg/cm²

Consolidation cell - 1No.

60mm x 20mm height – 1No.

Displacement sensors 10 x 0.001 mm - 1No.

Set of Weights upto 10kg/cm² – 1Set

Digital display with RS232 and one L.V.D.T. of \pm 10 mm – 1No.
