

Product Name :
Direct Shear Apparatus 12 speed Motorised

Product Code :
CHINAELABC2690135

Description :

Direct Shear Apparatus - Direct Shear Apparatus 12 speed Motorised

Technical Specification :

The unit is same except that it is motorised. It is provided with a turret type gear box to get 12 different constant rates of strain i.e 1.25, 0.625, 0.25, 0.125, 0.05, 0.025, 0.01, 0.005, 0.002, 0.001, 0.0004, and 0.0002 mm/min. and arrangements to carry out residual shear strength tests. Suitable for operation with 220V, 50 hz, single-phase supply.
